Notification of Distance Education: PN Summer Semester

The Practical Nursing (PN) Program will remain online through June 10, 2020 due to the health and safety concerns related to COVID-19. Classroom and simulation are being prepared for coursework. Further decision for mode of instruction will be determined based on Governor's directive. Please be sure to review the Student Resource Section on Moodle for any updated announcements and policies related to the continuation of online learning through the summer. Continue to be diligent in your studies and strategically plan time for classwork, simulation and studying to learn, apply and be successful in the program.
